ABOUT NOURISH PIERCE COUNTY:

Incorporated in 1982, Nourish Pierce County (formerly FISH Food Banks of Pierce County) is an ecumenical organization that provides food and emergency service referrals to people in need. Our mission is to provide nutritious food and support services to people in need with compassion, dignity and respect. With seven food bank locations and 2 award-winning mobile food banks that serve 18 additional sites, Nourish Pierce County serves over 40,000 individuals each month. With the assistance of over 1,000 volunteers, our goal is to provide each person or family with enough food to make three nutritious meals a day for three days. All Nourish food banks operate on a self-serve model, allowing clients to select the foods that best meet their family's needs.
