

## Donor Privacy Policy

### Our Commitment to Our Donors

We will not sell, share or trade our donors' names or personal information with any other entity, nor send mailings to our donors on behalf of other organizations.

This policy applies to all information received by Nourish Pierce County, both online and offline, on any Platform ("Platform", includes the Nourish Pierce County website and mobile applications), as well as any electronic, written, or oral communications.

To the extent any donations are processed through a third-party service provider, our donors' information will only be used for purposes necessary to process the donation.

### How Your Information May Be Used

We use your personal information to provide you with personalized service; to send e-mail alerts to you; to answer your requests; to process your volunteer application; etc. You may choose to opt out at any time, which will cease all communications from us. We may also use your information to track visitors of our website. This lets us see which of our features are the most popular so we can better serve our users' needs. It also lets us provide aggregate data about our traffic (not identifying you personally, but showing how many visitors used which features, for example) to outside parties.

### Email Privacy

Nourish Pierce County does not provide, sell, or rent email addresses to anyone outside the organization.
